**W**hen it comes to achieving your desired look on that special day, not all salons are created equal. Our talented stylists at Salon Utopia specialize in creating a look that will make your wish of breath-taking hair and makeup a reality.

**To ensure a worry-free day, please review this information:**

\*Make sure to schedule your appointments several months in advance so we can work your ideal times into our stylist's busy schedules. We encourage booking all wedding party appointments together in order to avoid any gaps in timing throughout the day.

\*We begin with a complimentary consultation with the Bride to discuss your expectations, book a practice run for hair and/or makeup, and then to schedule your wedding day hair and makeup for both you and your wedding party. We will review our wedding contract during this consultation to ensure that you understand the costs for your wedding day. We also explain our cancellation policies. At this time we collect credit card information for our services to ensure your spot for your big day. No charges will be made to your credit card until services are performed. However, we do have a 1 week (7 days) advance notice cancellation policy. In the event that an appointment is cancelled less than 1 week prior to your appointment, you will be held responsible for 1/2 of the cost of the service and your credit card will be charged.

\*We will provide a 10% discount for the Bride's services if at least 4 members of her Bridal Party book appointments on the wedding day.

\*Do not shampoo your hair the same day as the appointment.

\*Please arrive for your appointment with dry hair.

\*Wear a button-down shirt/blouse so you do not compromise your look once you leave the salon.

**On behalf of the staff at Salon Utopia, we look forward to hosting you and your wedding party. If you have any questions, please contact us at 515-274-1888.**
